

Quantum Leap Slack Channels

Specific Channels with Narrow Focus &/or Resources

#2021_”current quarter”:

- Resource channel with **ALL** the current information for QL (call times, source documents, links, etc.)
- static channel (**NOT** for messaging)

#call_agenda:

- posting of the weekly call agenda **ONLY**

#call_recordings:

- posting recordings of weekly calls **ONLY**

#comm_out:

- post when you will miss the weekly calls
- post all weekly calls you will miss at the beginning of each quarter
- post “emergency” outs for weekly calls you will miss unexpectedly as soon as you know

#distinctions:

- Place to share “distinctions”

#helpdesk:

- Place to request help on QL structures, technology, etc.

#promises:

- place to post you “weekly promises” every Friday

#qlt_university:

- Training and development information

#statistics_link:

- static channel (NOT for messages)
- Has the link to the weekly statistics

#teamx_potential_members:

- Place to post names of people & contact information (phone number & email) for those you know who are interested in joining QL

Closed Channels for specific Sub-Teams (lock symbol)

□ committed-colleagues_connectors-2021”current quarter”:

- Closed group for “coco connectors” to share

□ culture-keeper:

- Closed group for “culture keeper” team

□ unity_team:

- Closed group for the “unity” team

Channels for all team communications

#general:

- Prime channel for team communication to everyone

#gitw_our_games:

- Place to share about our games

#introduction-familiarity:

- Place to introduce yourself to QL
- Suggest sharing in 2 areas:
 - relatedness (who you are for the team and the world)
 - familiarity (things about your life and individuality)

#random:

- Interesting things you think are worth sharing, not necessarily QL oriented

#workability-gaps-suggestions:

- Place for everyone to post and add gaps they see, suggestions and anything they see that would elevate the workability of QL
